## Welcome to Prima Academy

At Prima Academy, we nurture young minds to become confident, creative, and responsible citizens. Our academic programs are designed to challenge students intellectually while fostering emotional intelligence, leadership, and global awareness.

We provide a supportive environment where every learner is encouraged to explore their potential and achieve excellence in academics, arts, and community service

## Our Mission

To provide holistic education that empowers students to think critically, act compassionately, and contribute positively to society.

## Our Vision

To be a model educational institution recognized for academic excellence, character formation, and innovation.

## Our Core Values

- Integrity – Doing what is right even when no one is watching
- Excellence – Striving to achieve the highest standards
- Discipline – Building habits of responsibility and focus
- Innovation – Encouraging creativity and problem-solving
- Service – Giving back to the community

# Academic Divisions
